## BUS GROUP INFORMATION

In order to maintain a steady flow in the loading/unloading area for the National Storytelling Festival, we have developed guidelines for the Registration parking area at the Jonesborough Visitors Center. Thank you for your help!

### First Step

All bus groups are required to pre-register, so the group's complete registration packet will be waiting at Registration inside the Visitors Center. **The group leader should immediately go to Registration to get the registration packet.** Your leader can be completing this step while the bus is being unloaded. The parking attendant will give the driver the information regarding parking.

### Unloading

Please pull the bus along side the back curb to unload. It is important that the driver pull up as close as possible to the vehicle in front, but still maintain the ability to pull back out without the vehicle in front moving. **Please help your occupants to unload quickly and safely; following unloading, pull out of the parking lot as quickly as possible.** You will be given information about where to park when you arrive at the festival.

### Food and Snacks

Some groups bring a lunch or snacks. Groups are welcome to use the Visitors Center picnic tables or to sit under the trees. However, the bus can't wait in the Visitors Center lot until the group is finished eating. We have limited space for loading and unloading and it is very important that these buses move in and out quickly and smoothly. If you are eating and have containers that you want to keep but do not want to carry, there is a room in the Visitors Center in which they can be stored. The Center will provide the room with limited access but will not be responsible for any article that is left there. **Please label well.**

**Have a great time at the Festival!**
